NEW TO CONFERENCE?

The DISC conference is the only major annual conference for Driving Instructors held in Scotland. It presents an excellent opportunity to update your knowledge on the latest developments in the Driver Training Industry, with representation from the highest level of the DSA and speakers at the leading edge of driver education. There are many changes coming to driver training; this is your chance to find out first hand what they are!

Whether you have just started the qualification process or have been an instructor for more years than you care to remember, there is always something new to learn and the Conference represents an ideal environment to improve your knowledge, along with instructors from across the country. All delegates will receive a **Certificate of Attendance which credits your Continuing Professional Development**

Tickets £30 (includes lunch and refreshments)

All Instructors (ADI and PDI) Driver Training and Road Safety professionals welcome.

Please purchase your ticket in advance from your local association or directly from DISC
